Memo No: 106/GSCDL/2023

Dated: 19/05/2023

EXPRESSION OF INTEREST

Subject: Expression of Interest (EOI) for Structural Firms: Construction of Road from Greendale School Road to Gairi Gaon

To,
All Eligible and Interested Structural Firms

Gangtok Smart City Development Limited (GSDCL), invites Expression of Interest (EOI) from experienced and competent structural engineering firms for making detailed structural analysis for the proposed construction of a road from Greendale School Road to Gairi Gaon. The project involves dealing with challenging topographical conditions and intricate city infrastructure, including numerous buildings, steep terrain, and a significant drainage system.

Scope of Work:

1. Detailed structural analysis of the proposed road construction and relevant structures like retaining walls (counterfort and gravity), culverts, and drain work.
2. Designing and proposing methods to build the above structures efficiently and effectively considering the steep gradient and the built environment of the site.
3. Conducting site surveys, preparing reports, and providing guidance during the construction process.
4. Ensuring all proposed structures are compliant with the relevant Indian standards and regulations, environmental regulations, and safety standards.

Eligibility Criteria:

1. The firm should have a proven track record of providing structural analysis for similar road construction projects in hilly terrain.
2. The firm should have a team of qualified and experienced structural engineers.
3. The firm should demonstrate robust knowledge of relevant Indian and international codes of practice for civil and structural engineering works.

4. The firm should have the necessary clearances and licenses to operate in the state of Sikkim.

Interested firms are required to submit their detailed profile, past experience, team composition, and a brief proposal on how they plan to approach this project, along with all relevant supporting documents.

Last Date for Submission: 01.07.2023

Interested parties are requested to submit their EOI in a sealed envelope marked "EOI for Structural Analysis for Road Construction in Gangtok" to the following address:

The Nodal Officer
Gangtok Smart City Dev. Ltd.
Level V, Kissan Bazar

Please note that this is not a request for proposals; a formal bidding process will follow after shortlisting eligible firms based on their expressions of interest.

For any queries or clarifications, please contact:

The Divisional Engineer
Gangtok Smart City Dev. Ltd.
Level V, Kissan Bazar

We look forward to your active participation in this mission to enhance the infrastructure of Gangtok city.

Thanking you

Yours sincerely,

Sd/-
